The cuts for this year's county Championships (State Qual Meet) have two time standards. The first column (Automatic) is the same as last year. The second column is consideration.

Automatic Standard:

Achieve one standard, compete in one event,

Achieve two standards, compete in two individual events.

Achieve three or more standards, compete in no more that two individual events (pick & choose)

Consideration Standards:

To create a meet with up to 40 entrants per event (5 heats) a second slower standard was created.

Achieving this standard does not guarantee entrance into the meet. The competitor must be entered and the coach will be notified of

Their eligibility if all criteria are met.
